COURAGE

The Essence of a True Man

Cowards do not count in battle; they are
There, but not in it". These words
Uttered over 2000 years ago by
The Greek poet Euripedes means more today
Than ever before. The great men, their goals,
And the outstanding historical events
Of this decade have proven that to count in the
Never-ending battle of life, man must
Possess courage—in character, intellect and body
To be a true member of society, to help
Solve the problems of this complex
Modern world, a man must have COURAGE.

COURAGE...

Is Based upon

Oft-times courage is necessary to meet the standards of social amenities to be a St. Francis Knight.

To meet changing world conditions and violently oppose them or make changes as in the Ecumenical Council requires courage.

Every step forward in life means another challenge overcome. Great men become so because of the challenges they met. A paradox is found in the words of our late president, John F. Kennedy who said: "There are no great men, but there are great challenges which normal men are forced to make by circumstances." Courage is the sustaining factor in meeting every challenge.

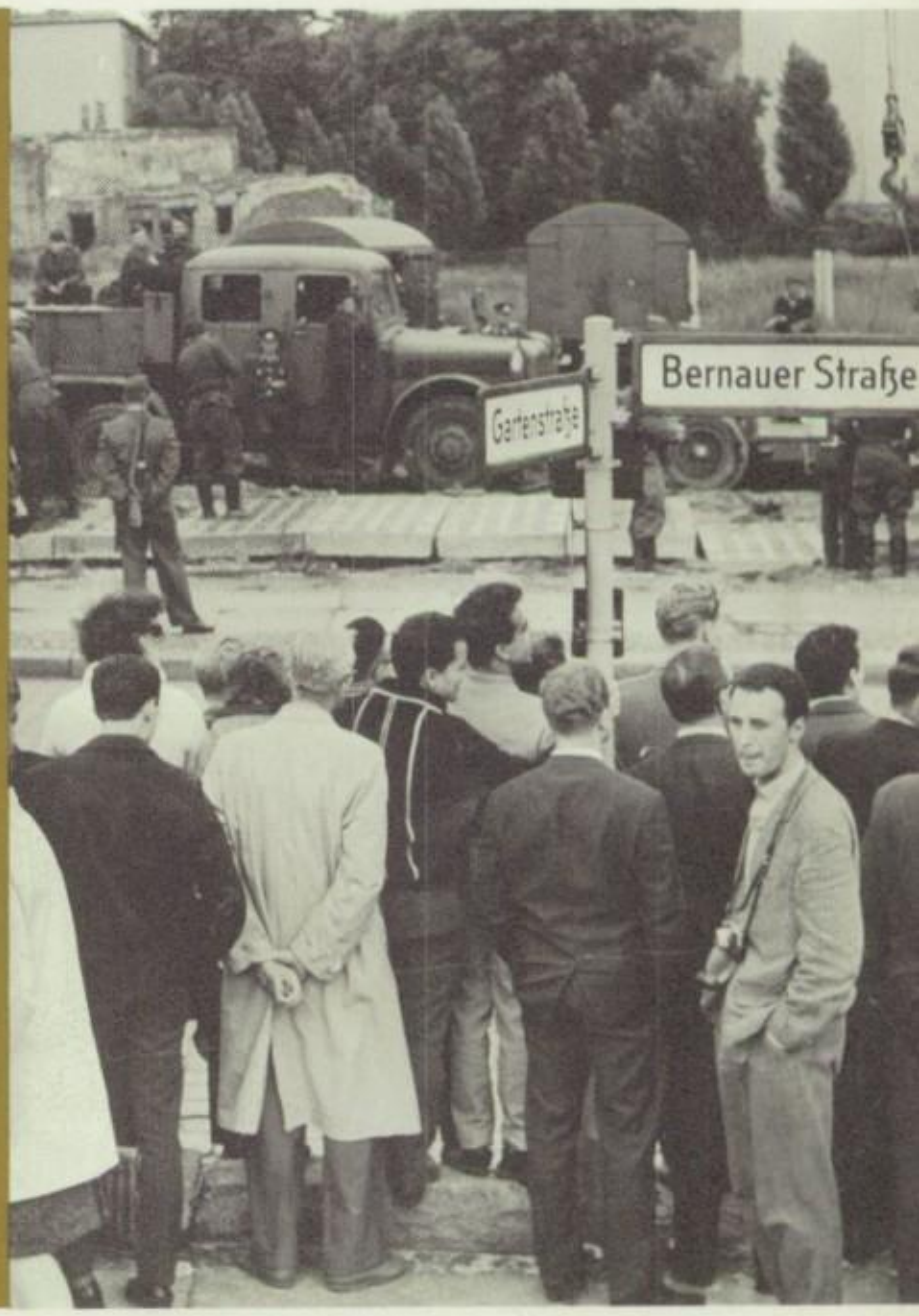
So often we associate personal courage with bravery in war, a walk in space, or the overcoming of some great crisis in one's life. However, this is not true. In most cases there are the exception. John F. Kennedy said: "To be courageous requires no exceptional qualification, no magic formula, no special combination of time, place and circumstance. It is an opportunity that sooner or later is presented to us all.

So, then, the classroom, athletic field, religion, politics, social activities, human relations and human rights become arenas wherein our courage is tested. Courage, then, is seldom manifested in simple ways, but the truly courageous man performs simple deeds with unwavering fortitude, faith and fidelity to his principles.

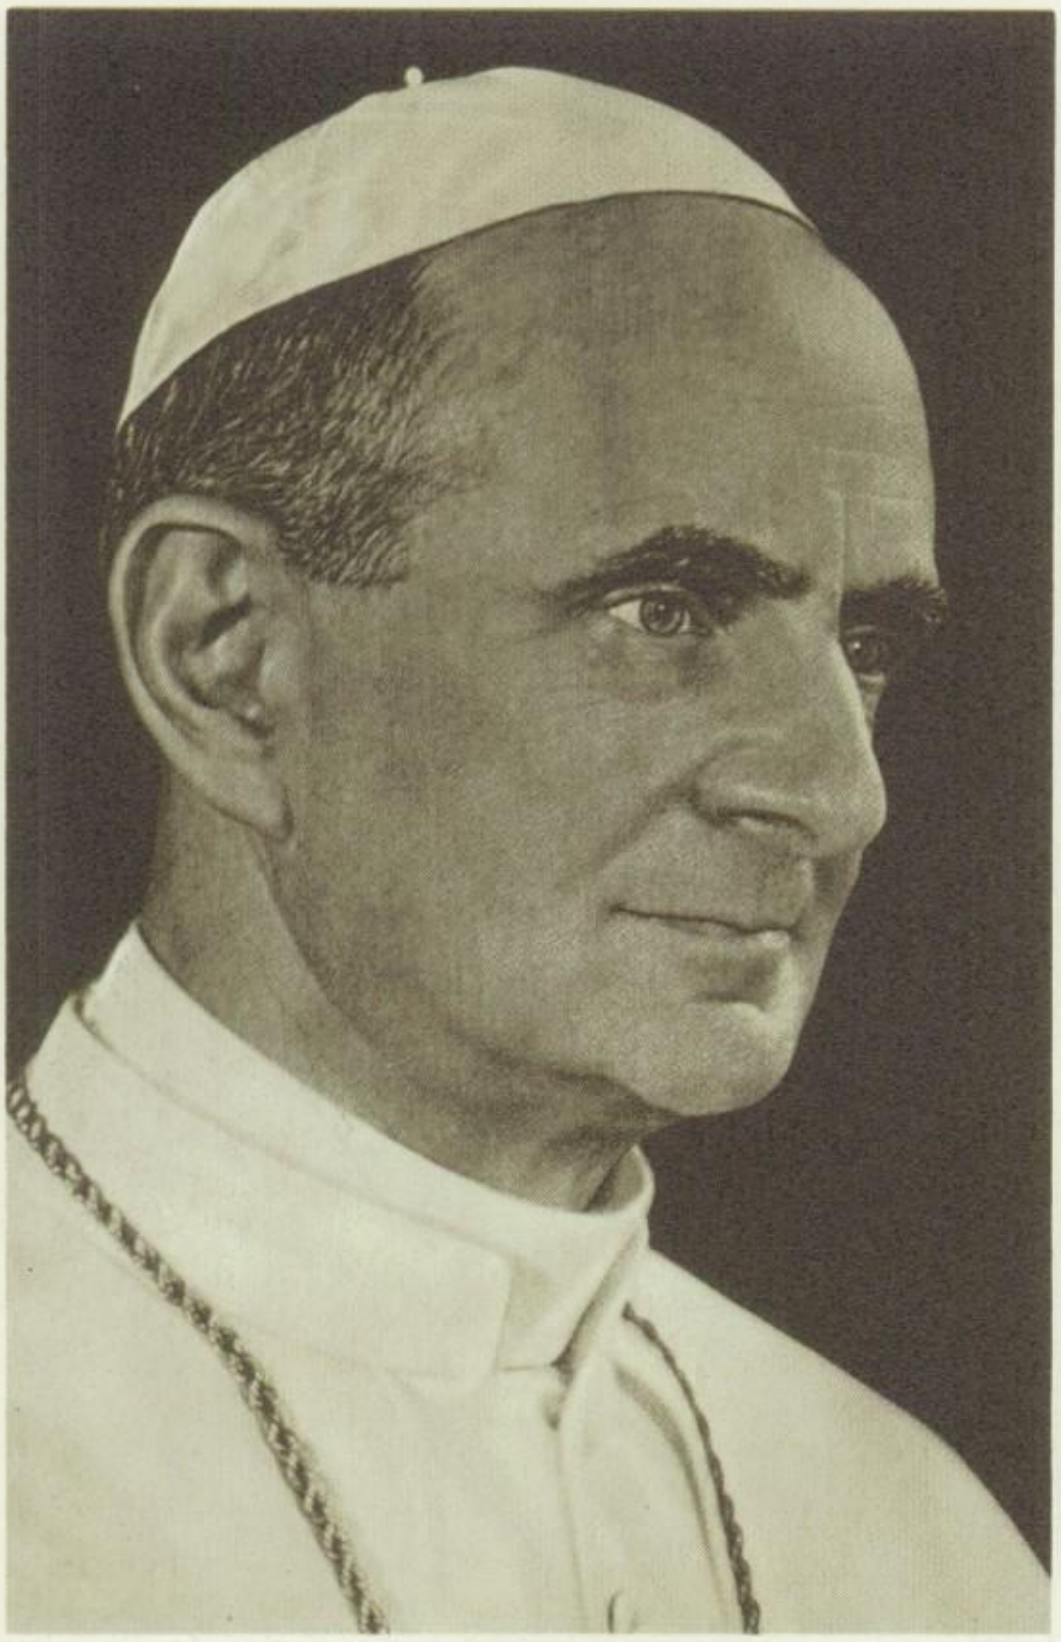
Faith, Fortitude and Fidelity to Principles

So many times courage is needed fo follow one's regigious principles; to smile when it is difficult; to fight against great odds, as in sports.

Courage is needed to live under oppression and fight against it as shown by the Berlin Wall.



Courage Is an Independent Spark from Heaven's



HIS HOLINESS, POPE PAUL VI
Vicar of Christ, Bishop of Rome

And causes man to stand raised, triumphant and alone

Moral courage is good and admirable in itself, but it must be noted that it almost never appears except as a part of character. No man without character is consistently courageous. The men pictured on these pages, our spiritual leaders, because of their exalted positions are men of courage and faith. These men do what they must in spite of personal consequences, obstacles, dangers and pressures. This is the basis of all human morality. We place these men at the top of our esteem, who take chivalrously the heavy blows of life, who are not merely brave, but gallant.

Father Shugrue Guides School to New Heights

Brings world-wide knowledge and experience to St. Francis

Saint Francis de Sales, holy Doctor of the Church, was born to a noble pious family near Annecy, France in 1566. A brilliant scholar, St. Francis seemed destined for a distinguished career in the service of the state. However, his piety inspired him to become a priest. Through unceasing work, he converted 72,000 Calvinist and became Coadjutor Bishop of Geneva in 1602. Soon afterwards St. Francis, together with St. Jane Frances de Chantel, founded the Visitation Order of nuns in Annecy. However, not until 1870 when Mother Mary de Sales Chappuis and Father Louis Brisson founded the Oblates of St. Francis de Sales did the Salesian spirit include an order of priests and brothers.

The order first appeared in America early in the 20th century when due to anti-clerical feelings they were forced to flee France. Under the guidance of Fathers Isenring, Fromentin and Jacquier the Oblates settled in Wilmington, Delaware. The Society did not begin to blossom, however, until after the Second World War. Since that time it has become one of the most progressive orders in America with its membership totaling well over six hundred priests, brothers and scholastics. Starting with but one school at Wilmington in 1903, the congregation now maintains schools in Philadelphia, Harrisbug, Pa.; Toledo, Ohio; Erie, Pa.; Niagara Falls and Lockport, New York; Detroit, Michigan; Salt Lake City, Utah; Alexandria, Virginia and a college in Allentown, Pennsylvania.

Academics Challenge the Personal Courage of

Sciences and humanities

test a young man's ability

The numerous technological and scientific advancements
Are a credit to the fine intellects of the world.
These achievements, however, were not done on the
Spur of the moment by some genius, but through
The combined efforts of many educated individuals.
Young people must realize that education is a necessity
In today's world if they intend to carve a place for
Themselves. They must have the stamina to overcome
Their indolence and to continue through high
School and college to receive a high degree of learning.
They must have the courage to meet the ever growing
Demands of a changing world.

Standing in front of the chapel at Annecy are: Evan Mac Gibbon, Tom Crossen, Tom Madden, Dick Ryley, Father Griffin, a former teacher at St. Francis; Don Balon, Frank Wasserman and Don Wyatt.

In keeping with the St. Francis tradition of complete education, the foreign study program instituted by our principal, Father Shugrue five years ago, was continued. The boys who take part in this program spend a year studying at one of the two Oblate schools: Haus Overbach in Germany or College St. Michel in Annecy, France.

These boys, of course, go to Europe for more than study. A considerable portion of the year is spent in travel to countries such as Spain, Italy, Switzerland, Holland, Denmark, England and of course France and Germany. This travel offers a unique insight into the customs and way of life of the Europeans, which may at times seem strange to us. This insight is especially important today, with our ever-increasing contact with Europe and its inhabitants.

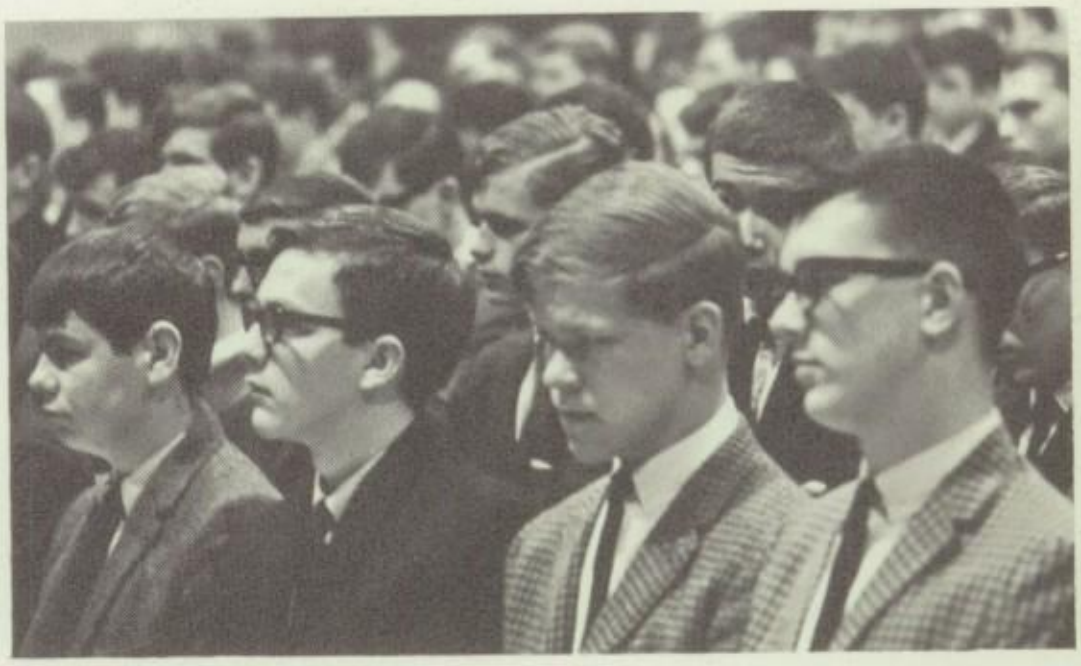
This bridge between three members of the Oblate family, spanning an ocean, offers rare opportunity each year to a few Knights. It is almost unequalled anywhere at the high school level.

After Mass offered for a safe journey, Father Shugrue greets the foreign students, their relatives and friends.

Retreat Highlights Religious Life of Knights

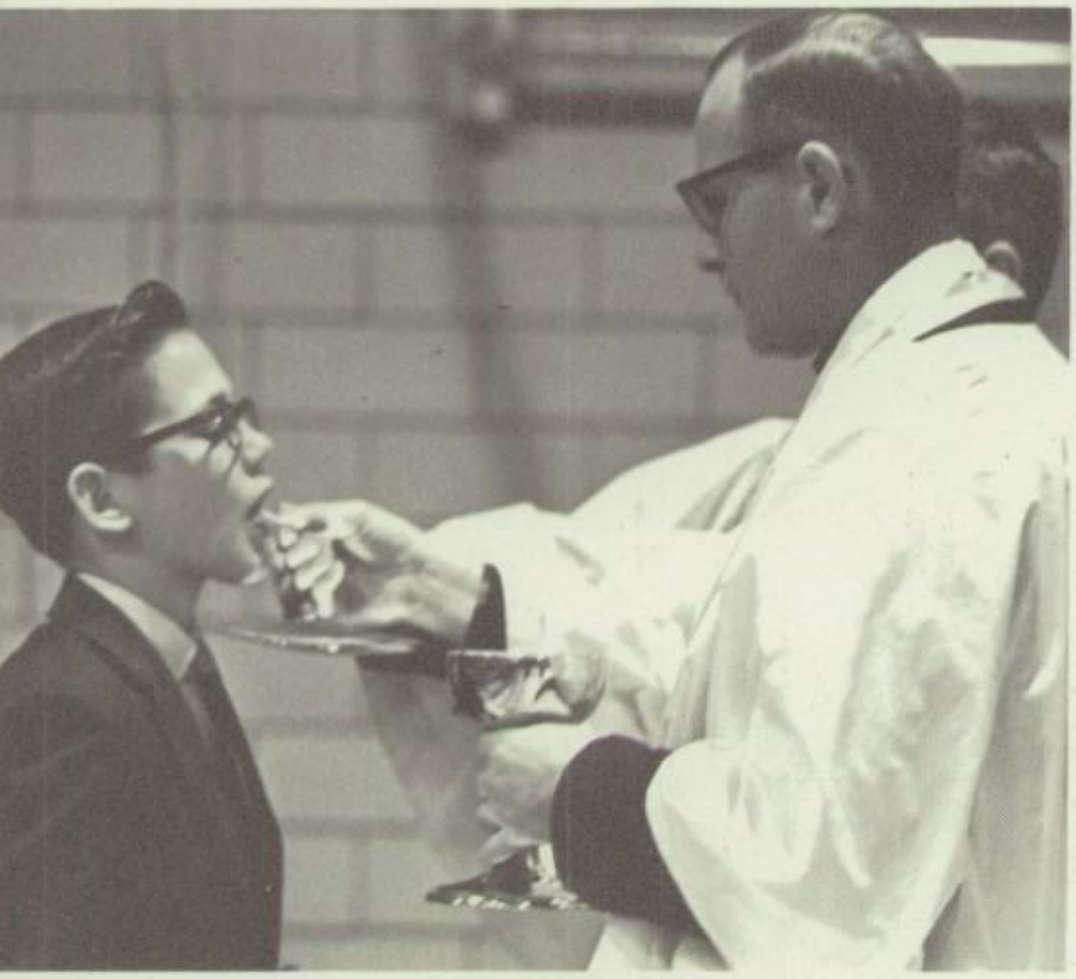
Development of spiritual life is integral part of St. Francis education

Students bring the offerings to the altar during Mass of the Holy Spirit, celebrated by Father Shugrue.

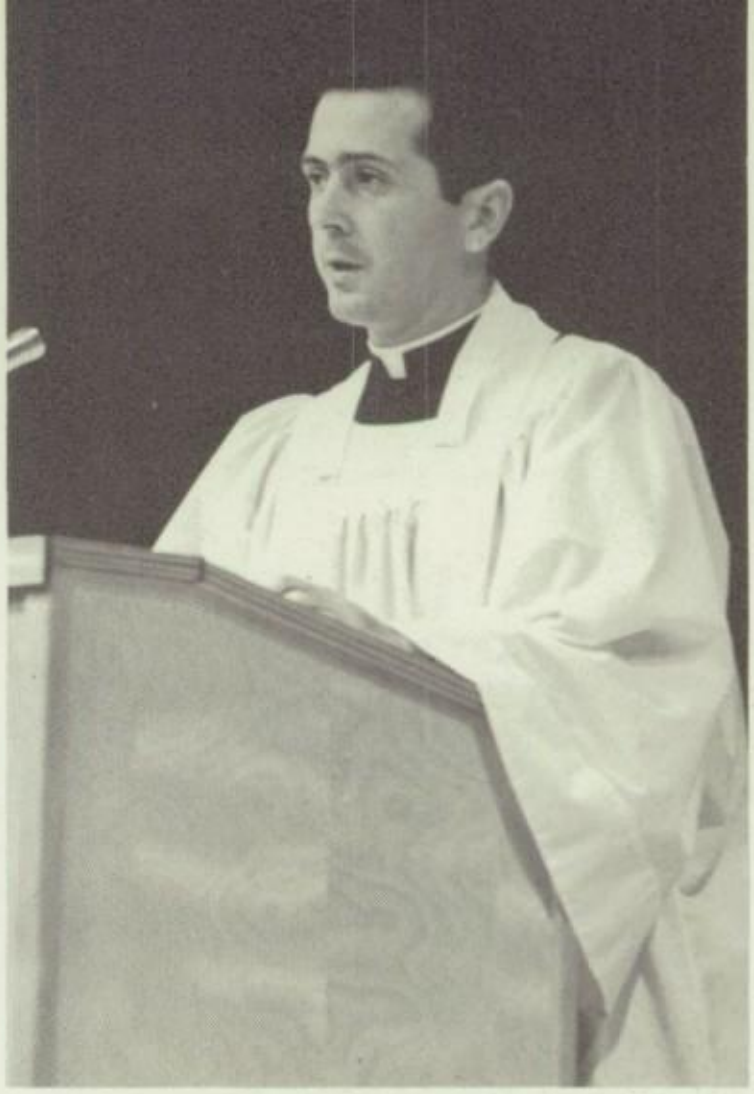


Mass is a time for reflection as seen in the faces of Chip Moynihan, Rick Nachazel, Gerry Pickens and Jim King.

The crowning event of our spiritual life at St. Francis is the annual retreat. Father Shugrue celebrates Mass on the closing day of retreat.



Father Sottek distributes Holy Communion.



Father Kelly preaches on the Feast of St. Francis De Sales.

To achieve success in any school activity, whether it is intellectual or athletic, it is necessary for every student to possess a certain amount of 'Religious Courage'. All our activities must revolve, in some way, around Christ.

Our Oblate teachers are most conscious of this necessity. They have made all types of Catholic religious services available to us. From our first day of high school, when as Freshmen we attended the Mass of the Holy Spirit to initiate the school year, our lives have been stirred by religious activities. Mass and Confession are available to us each day. After school Benediction is held every day in October and May, as well as each Friday afternoon. Stations of the Cross are said during Lent. Holy Communion is distributed each Friday at lunchtime and, of course, the chapel is always open. Easter vacation is preceded by the highlight of our spiritual year, the annual Retreat.

Our religion becomes part of our life in the light and spirit of St. Francis de Sales. This 'Salesian Spirit' which is fostered in us from the time we enter our school, and the availability of religious services is what gives students the courage to persevere and be successful in the true tradition of St. Francis de Sales.

Assisted by Ken Koehler and Jeff Millns, Father McMenamin celebrates Benediction.

Holy Mass is celebrated by Father Healy assisted by Tom Perzynski.

Dressed in their coats of gold, the trumpet section of the band stands for a rousing number.

Colorful Musicmen Add to School Activities

In 1959, the St. Francis music department consisted of 14 dedicated musicians clad in ill-fitting blazers. Our Director, Mr. Zapletal, aided by capable moderators such as Father McKay, Father Schaefer and Father Fitzpatrick, molded the fine band known to us all today. Talent, dedication, inspiration and, above all, patience were all required for this monumental task. The band witnessed changes in uniforms, a new music room in the new addition, a change in format from the drum and bugle corps to the more versatile regular band, and of course, a continuous succession of talented musicians.

The excellence achieved by this year's edition was not an accident. Practice started in the heat of summer, and many long hours were spent practicing the intricate drill enjoyed by all at football halftime. The beginning of the school year brought a new moderator, Mr. O'Connor, and his leadership continually pushed the band to new heights of achievement.

After football season the band settled down to the serious work of preparing for the concert season. Highlights were the Christmas concert, the hootenanny and the concert in April. Special recognition should be given the pep band who played at home basketball games.

On the evening of November 19, 1965 the curtain rose on another in the long line of comedies which have been produced at St. Francis. SEE HOW THEY RUN, an English farce written by Philip King enjoyed a very successful two night stand in the St. Francis auditorium, playing to capacity crowds both evenings. Set in the sober Victorian home of the rather staid Reverend Lionel Toop, SEE HOW THEY RUN presents the hilarious misadventures of an American soldier, the vicar, his wife, a drunken spinster and four men dressed in clergyman's robes.

The cast, once again under the skilled direction and guidance of its director, Father John Marran, performed superbly. Included in the cast were three of the young ladies of Notre Dame Academy, Pat Seiz, Sue Ragan and Mary Sullivan along with St. Francis actors Harold Welch, who had the lead, Rod Tomczak, Tim Desmond, Jay Marshall, John Valiton and Tom Helfrich. They are all to be congratulated.

Accolade Records School Events

Another year in the history of St. Francis recorded for posterity

From a maze of pictures, cutlines, paste-ups, body copy, scratch paper and cuttings emerges another Accolade. No one knows better than the staff what a huge task this is. Each night after school they gather behind a door marked "Authorized Personnel Only." Accompanied by the dulcet tunes of WTOD, they toil at difficult jobs like making headlines fit and cutlines funny. This goes on week in and week out for months on end until everyone is satisfied with a job well done.

The guiding spirit of the Accolade is Father Daniel Earley, whose talent in assembling layouts assures us of another excellent edition.

This year's staff was headed by Richard Moore, editor-in-chief, and John Schlageter, associate editor. The sports editor was Carl Riedy and Gary Holtz the literary editor. Copy editors were Jim CaJacob, Ralph Zychowicz and Chip Moynihan. Photographers Bob Mittelstaedt, Gary Jeziorowski and Peter Ujvagi can be praised for a great job.

Lance Gives Insight into School, World News

Monthly newspaper stimulates thought provoking discussions

"Where is that copy? We're two days late already." With these words, Father Hermley sends The Lance staff scurrying hither and yon for pictures and copy. The babble of many voices even drowns out the rock and roll of the blasting radio.

This bedlam happens every month as the staff prepares another issue of the school paper. The student body eagerly devours every article in it which covers everything from sports to national and international topics. New feature articles include On The Beat, Knights to Remember and a photographic section — Views from the Castle. The paper has grown from four pages to sixteen and has received many awards of "Excellent" from the critical services.

Under the direction of Father Hermley, Bill Witt, editor-in-chief, has planned every issue. Assistants to Bill are Jim Ziolkowski, assistant editor, and Chip Moynihan, news editor. The photography staff is headed by Bob Mittelstaedt.

Collegium Honorum Singles Out Top Students

Top honor men, Nopper and Davis, to deliver Valedictory and Salutatory addresses

For the athlete, the varsity letter is the award for outstanding achievement. For the student, induction into the honor society called Collegium Honorum is the honor for scholastic achievement. Since its inception six years ago, it has established a proud tradition. In the case of those who are gifted with intellectual ability, their greatest desire is to receive the honor emblem of St. Francis de Sales High School at the annual Convocation of Honors. In addition to this emblem, the top eleven seniors receive beautiful gray blazers and are considered to be members of our scholastic "first team".

Total membership at any one time is limited to one hundred and one. The top twenty-six seniors and the top twenty-five of each underclass according to their scholastic averages are admitted for one year.

The Collegium Honorum is the official name of the honor society and under that title, junior and senior members are inducted into the National Honor Society.

Excitement mounts as Father Gross is about to announce the name of the 1965 Homecoming Queen.

Homecoming Dance Blends Beauty and Spirit

Pleasant company causes hours to flit by unnoticed

In the days of medieval England, a knight considered chivalry to be as equally important as courage. In order to receive recognition as a member of the "Round Table" they had to prove themselves courageous on the battlefield and chivalrous in court-life. A Knight of St. Francis de Sales, while proving his personal and physical courage in scholastic and athletic endeavors, must also develop, through encouraged social activities, his social graces.

As in the past, the many events are under the capable direction of the Student Council, ably led by their moderator, Father Gross. Falling leaves, brisk air and the pigskin ushered in the first two functions — The Homecoming Dance and the Victory Hop, where a huge "Number 1" hanging from the gym ceiling left little doubt that the Knights were the new city champions. These events were followed by the weekend hops, the Battle of the Bands and the Hootenanny.

The Junior-Senior Prom highlights spring activities. For the seniors, the annual farewell dance was the last time they will use the social graces they have developed.

Funarama, DeVilbiss and Central smokers, Freshman and College Nights, Fat Fathers Club and the Golden Knight Ball are just a few of the many projects the men faithfully undertake.

This year the Brisson Association has taken upon themselves a new fund-raising effort, "Can You Spare It For St. Francis" bowling tournament which is held at University Lanes. The idea behind this tournament is that it could be a possible replacement for the annual Funarara in the future.

Chappuis mothers help at Funarama. Mrs. Toeffler sells a balloon to a cute little youngster.

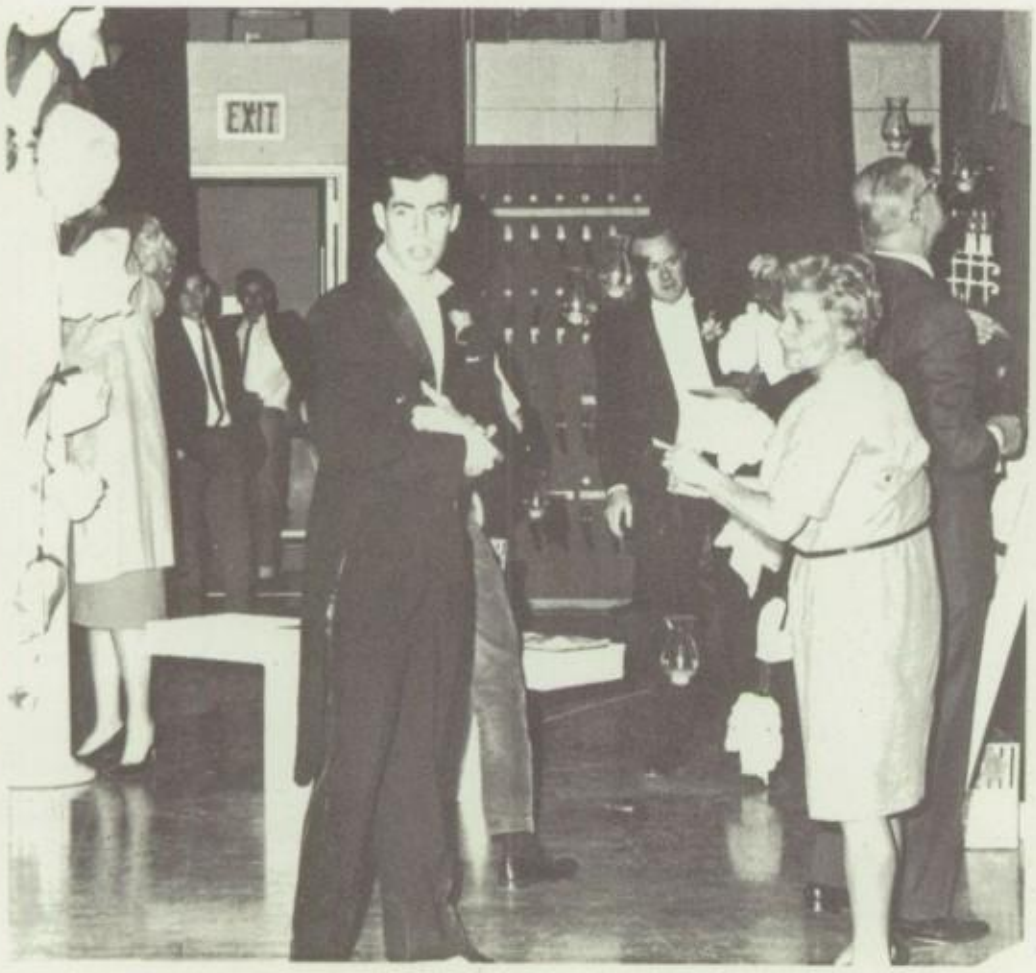
Under the guidance of Father Daniel Earley, the Chappuis Society has become an integral part of St. Francis. Members of this organization include mothers and friends of St. Francis students and alumni. All the ladies have but one objective: to benefit St. Francis. Last year the Chappuis Society presented Father Shugrue almost 5000, the result of hard but enjoyable work.

The largest project undertaken this year is the annual fashion show, "A View of Elegance." Mrs. O. Victor Beck, Jr. was the general chairman for this gay and successful event. The sets made by Father Earley and artistically inclined ladies, as always, were beautiful.

Funarama, a two-day festival which the Chappuis co-sponsors with the Brisson Association, was tremendously received by all. The gala St. Patrick's Day Dance was the top social event of the year.

Chappuis officers this year are: Mrs. Fred Kumor, president; Mrs. Charles Smith, vice president; Mrs. John Rogge, recording secretary; Mrs. William Zouhary, corresponding secretary; Mrs. Eugene Extejt, treasurer and Mrs. James Stanford, assistant treasurer.

The most beautiful scene of "A View To Elegance" is the wedding scene. In the wedding party are Mrs. Sprenger, Mrs. Armstrong, Pat Smith, Pam Malone, Mr. Smith and Debbie Diethelm.



Some of the officers of the Chappuis Society are: Mrs. Extejt, Mrs. Armstrong, Mrs. Sprenger and Mrs. Zouhary.

Courage Conquers All Things: It Even Gives

Courage, determination send

St. Francis athletes to the top

The GI in Vietnam or the long training sessions
Of super-athletes exemplify physical courage, but
Recreation on any level can represent it. A boy does
Not grow up until he receives a few knocks and
Bruises in a backyard game of football. A person suffers
Many setbacks in life and the greatest test
Of courage is to bear defeat without losing heart.
Where can a boy or a young man learn this better than
In sports. Physical courage is an essential
Part of anyone's personality and must be developed
Equally with character and mind to mold a well-
Rounded individual.

St. Francis Wins City Crown

Six from St. Francis on All City Team

The year of 1965 will long be remembered in the football annals at St. Francis de Sales. For it was in this year that the Knights combined fine coaching, tremendous attitude and ability to ride off with their first football City Championship.

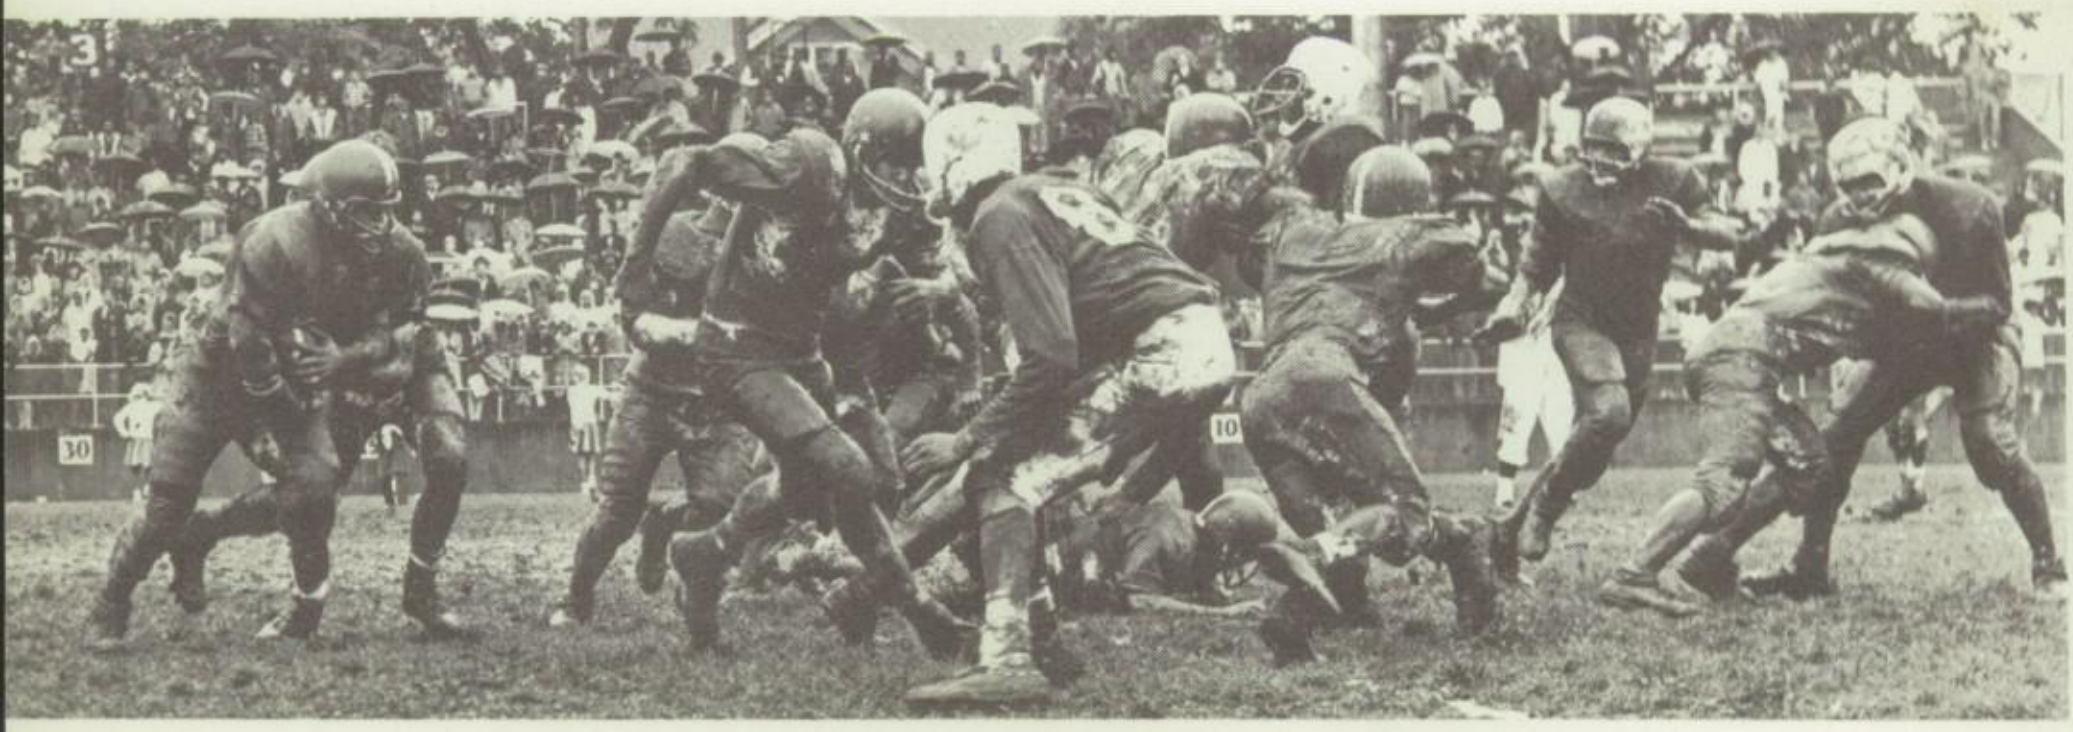
The red and blue posted an enviable record of eight wins and only one defeat. Our record was marred by a heartbreaking 14-12 loss to Scott in which we completely dominated every statistic except number of points scored. The talented Knights fashioned six shutouts enroute to their 8-1 record while amassing 142 points to the opposition's 33.

The greatest thrill of the year, however, came at the expense of arch-rival Central. On that cold afternoon of September 26th the men of St. Francis pounded out an inspired 10-0 victory and returned the Irish Knight to its home. But the Central victory was just one of the many highlights of 1965. The St. Francis eleven also posted a very convincing 28-13 win over our neighborhood rival DeVilbiss and therefore regained the Hilton Murphy Sportsmanship Trophy.

By football standards the Knights certainly were not big, but by the standards of athletes, champions and men the Knights were not only big, they were the biggest.

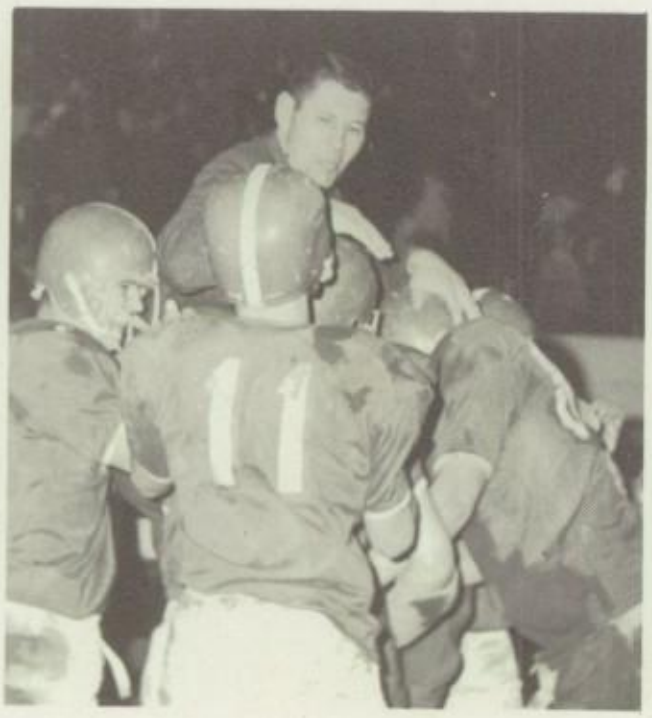
As far as individual honors are concerned, St. Francis landed six spots on the All-City first team and three on the All-City second team. Those on the first team were Karl Pankratz, Dave Bailey, Jim Mang, Ken Klear, Brad Topolski and Bruce Lauber. Those landing births on the second team were John Dooley, John Schlageter and Joe Rowland. Karl Pankratz and Dave Bailey were also named to the Northwestern Ohio All-District first team.

As his teammates set up the interference, Karl Pankratz makes his move.



Faking to Andy Huff, Steve Skiver sets himself to hand off to Doug Avery as Knights forward line opens gap in Central defense.

Having won their first city title, the jubilant knights carry their elated coach off the field.



Finding the Knight defense hard to crack, a Scott Bulldog is pulled to the ground.

With the aid of Terry Sheehy's crushing block, Steve Skiver flips pass in Scott mud bowl.

Using his blockers well, Doug Avery pounds over left tackle.

Knights Continue in Winning Ways

New coach instills hustle and determination in team

With the culmination of a very successful football season, the question in everyone's mind was the fate of the basketball team with a new coach, new assistants and a new system of play.

The team suffered three heartbreaking defeats early in the season, showing that we were not fully indoctrinated to Coach Jim Kubacki's new method.

However, as the season progressed, the team got increasingly better. The team finished with a respectable 11-7 record in regular season play, which gave us third place in the City League. Highlighting this fine year were victories over two of our fiercest rivals; a 49-39 victory over Central Catholic and a hard fought win over Cardinal Stritch.

Functioning as a closely knit unit, the Knights received outstanding performances from seniors Dick Hojnacki and Steve Cherry, co-captains of the team, Dick Jackson and juniors John Thomas and Don Harbaugh. Backing up the first team were promising juniors Marty Huff, Joe Koren and senior Frank Duffy.

Under the guidance of Coach Simrell, the Junior Varsity ran and passed its way to a highly successful season. The freshmen, under the careful eye of Coach Paul Harshman, also chalked up a winning season.

After a year of experience with Coach Kubacki's system and an abundance of talent it appears that the basketball fortunes of St. Francis look bright for the future.

In the opening game of the season at Woodward, Rick Jackson, surrounded by the opposition, attempts a jump shot.

Even though he is fouled, Steve Cherry manages to get off a shot in a battle at Scott fieldhouse.

Matmen Win Fifth District Title

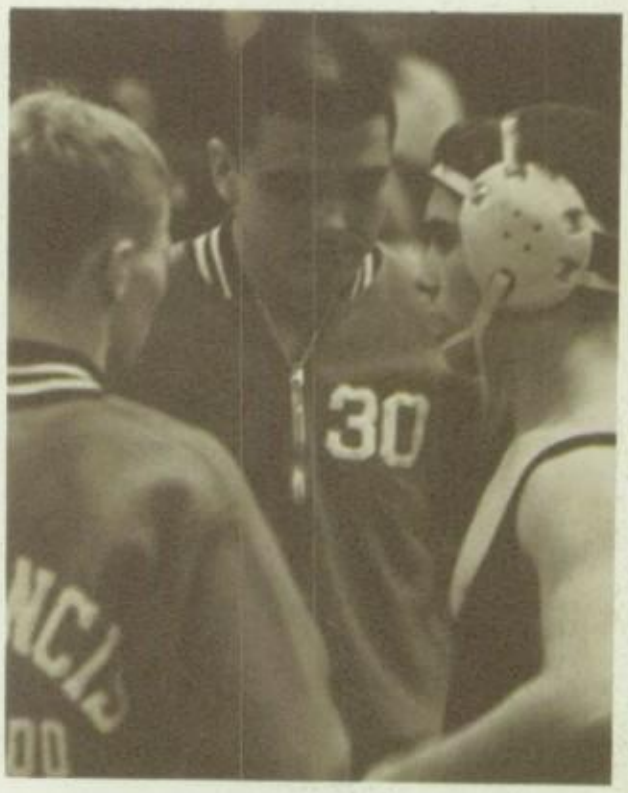
Extend streak to 52 consecutive wins

Wrestling at St. Francis was once again a tremendous success.

The varsity swept to its fifth straight undefeated season in dual meet competition. Hard-fought victories over Central Catholic and Whitmer were highlights in a year which brought the Knights their third City League title.

In the sectional tournament, St. Francis qualified nine wrestlers for further action. Four matmen survived in the districts thereby advancing to the state tourney.

In Columbus, Karl Pankratz capped a brilliant sports career at St. Francis by winning the State Championship in the heavyweight division. Last year's state champion, Dick Meyer, lost a close early decision and finished third in the 120 pound class. Jim Schoen and Tim Cichocki were also members of the four man delegation which finished fifth in the state.



Tension builds for Greg Schoen as Dick Meyer and Brad Topolski give him last minute advice.

St. Francis Keglers Roll Way to Championship

The St. Francis National League bowling team, under Moderator Father Robert Healy, took its first city championship, winning the regular season title with a 46-8 record and the post-season tournament. In the final match the Knights bombed Start to secure the championship. High average on the team, as well as in the city, was posted by a junior, Tim Bublick with 188. Other members of the National League are Paul Skowronek - 186, Bob Wilczynski - 186, John Guzdanski - 183, Bob Moore - 180, Phil Zolg - 175 and team captain Gary Holtz - 173. Bob Moore had the high game of the year - 246, while John Guzdanski had the high series - 641.

The American League squad finished a respectable third in its division with a 36-18 record. The top bowlers were Bob Grebe - 180 and Chuck Lautzenheiser - 173. The other American Leaguers are Greg Blaine - 169, Don Schroeder - 168, Rick Fowler - 166, Bill Rabara - 158 and Vinnie Schlacter - 152.

These two outstanding teams represented St. Francis well and kept up our fine tradition of excellence sports.

The club took several trips to various resorts in southern Michigan such as Mt. Holly and Pine Knob. On some of the trips, faculty members joined the students in enjoying the many pleasures of skiing.

Senior members of the club were: Jamie Marshall, assistant instructor; Ron Hanna, Jim CaJacob, Rich Nachazel, Chip Moynihan, Denny Gill, Jim Floyd, Mike Kennedy, Chuck Nopper, Ted Schoen, Fritz Sprenger, Greg Fox, Mark Bassett, John Dooley, C. Gordon Smith, Dave Bugman, Fred Bingle, Harold Welch, Bill Kopaniasz, Tom Noonan, Gerry Pickens, Tom Connolly and Chris Beroset. There are also many underclassmen that participated in the club. Swimmers churn furiously in meet against Fremont Ross.

Their talent belied by a mediocre 5-4 dual meet record, the swimmers picked up momentum in the season which swept them to the district title and fifth place in the state championships in Columbus this year.

The Knights went north to Michigan for their first two contests. Monroe Public, 1964-65 Michigan champions, ruined Coach Ballatore's debut by downing St. Francis 66-39. The team did better the following week against Adrian. However, they came away from that meet one point short of having registered their first victory.

Competition proved somewhat easier in home waters. The Knights swam against four Ohio schools, beating them all by impressive margins, with one exception, a 50-45 squeaker over Fremont. Our sole defeat against an Ohio Team came at the hands of Toledo YMCA, 48-47. Besides Fremont, the swimmers dunked Findlay, 59-41; Port Clinton, 72-23; and Lima Shawnee twice, 71-24 and 62-33. But the Michigan jinx held true all season. In their second meeting, Adrian made it two in a row over the Knights by a score of 49-46.

The swimmers exploded for three first places and rolled up 62½ points in the Northwestern Ohio championship. Eight Knights qualified for the state meet. They garnered 69½ points placing fifth in the state. That's exactly four notches lower than Coach Ballatore figures we'll finish next year.

Shows Promise; Is Strong Contender for Title

Excellent pitching, strong hitting are key hopes to successful season

The crack of the bats and the squeaking of the pitching machine heralds the start of another baseball season. This years squad, under head coach Richard Mattingly, is heavily favored to improve on last years record of 12-7. The fine pitching staff of Tom Galloway, Bob Daney and Don Harbaugh is considered to be the finest in the area. In addition to the good pitching, the Knights have powerful hitting in the forms of John Schlageter, Dave Bailey, Fred Bingle, Don Smith, Frank Duffy, Marv Malik, Bill Schoen, Fred Myers and Ted Schoen. This well coached squad of regulars may also be helped out by fast improving junior varsity players. Undoubtedly this years baseball team will be the best in St. Francis history.

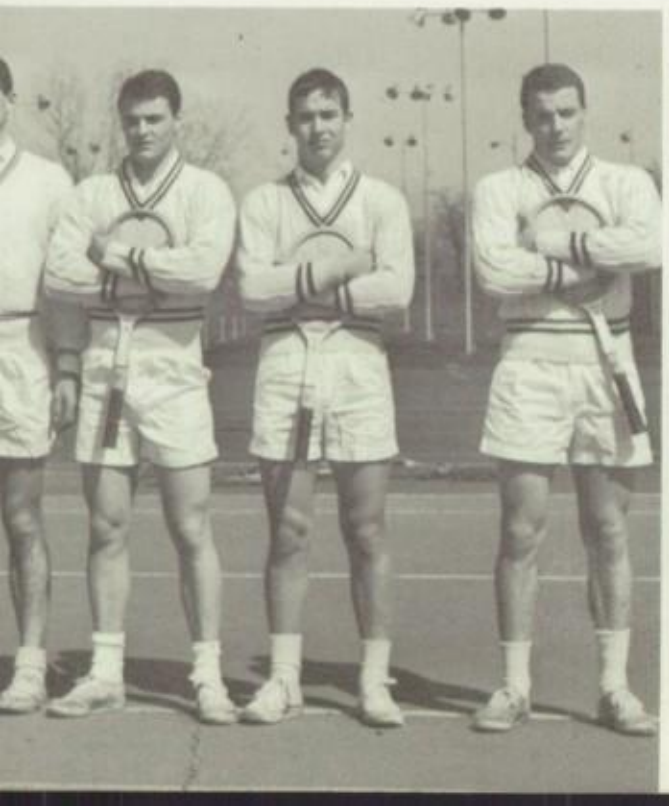
Last year the tennis team won its second consecutive city title with a record of 17-3. However, the bulk of the team consisted of seniors. This year, after the loss of five lettermen, Father Hermley has once again molded a group of above average tennis players into a team which is one of the best in Northwest Ohio. Our team is ranked as first in the city and is in a position to make a very good showing in the district. The team has Bob Faught at first singles, Jim Faught at second singles, Fred Kumor or Ken Robie at third singles, Greg Zann and Phil Johnson first doubles and Bob Zann and Jim Casserly at second.

Last year's golf team, under Coach Father Komorowski, sported a fine record of 19 victories and no losses, while winning its second city championship in succession. The men of the links romped through the district and tied for second in the state. Leading this year's squad is the outstanding golfer in the area, Chuck Lautzenheiser. Other regulars carrying the colors of St. Francis are Richard Moore, Denny Ciaciuch, Greg Blaine, Bob Moore and Bill Greenen.

Before leaving for the links, Bill Greenen, Denny Ciaciuch, Bob Moore and Greg Blaine discuss match strategy.



Thinclads Show Strong Improvement

Cold weather fails to dampen spirits

The prospects for this years track team look bright. With returning lettermen Marty Huff, John Finnegan, Bob Wilczynski, John McGrane, Tom Troup and Ron Hanna anchoring the squad, the trackmen have hopes of improving on their fourth place finish in the city league. The team has an entirely new staff of coaches. Paul Harshman is the head coach and is assisted by Dan Simrell, Joe Sevenich and Father Kelly. Top prospects include: Marty and Andy Huff in the shot and discus, John Finnegan and John Black in the two mile, Tom Troup and Ron Hanna in the middle distance and Bob Wilczynski in the sprints.

The cross country team, under the direction of Coach Father Kelly, ran to a third place finish in the city league with a record of 6-1. The squad was led by All-City performers Jim Lehner, John Finnegan and Tom Simon. Other outstanding stars were John Black, Tom Thees, Jim Black and Dan Mouch. Lehner paced the team with a second place finish in the City Championship. He also came in 10th in the state finals.

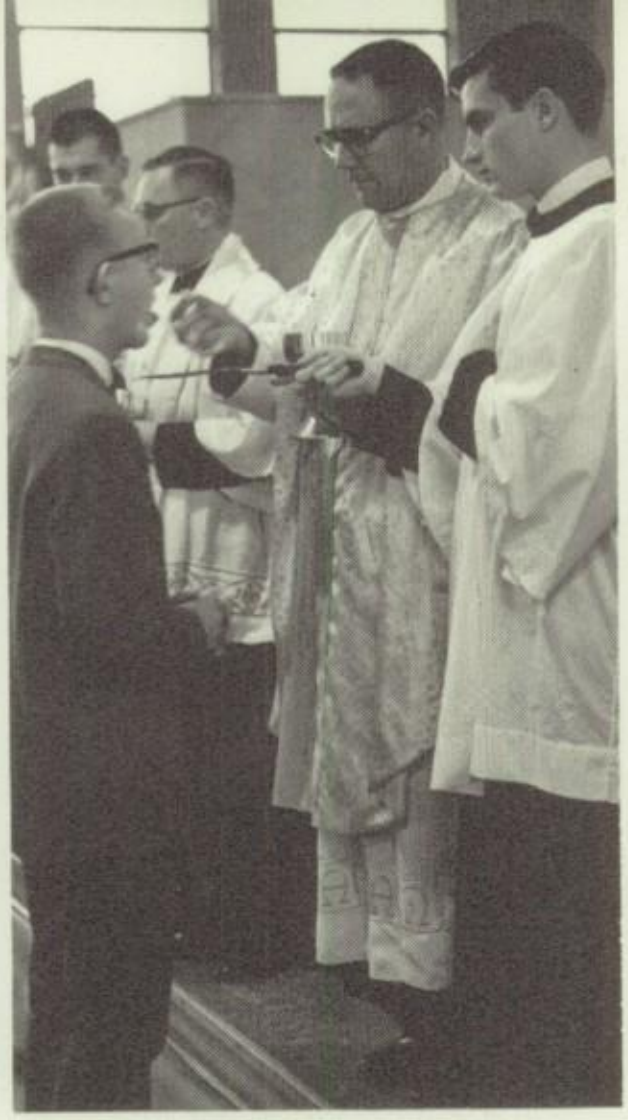
Seniors are instructed on symbolism and meaning of their coveted rings by Father Fisher.



Servers Ron Hanna and Dick Hojnacki assist Father Koelzer and Father Brennan in the distribution of Holy Communion.

Father Brennan solemnly raises the Holy Eucharist at the ring ceremony Mass.

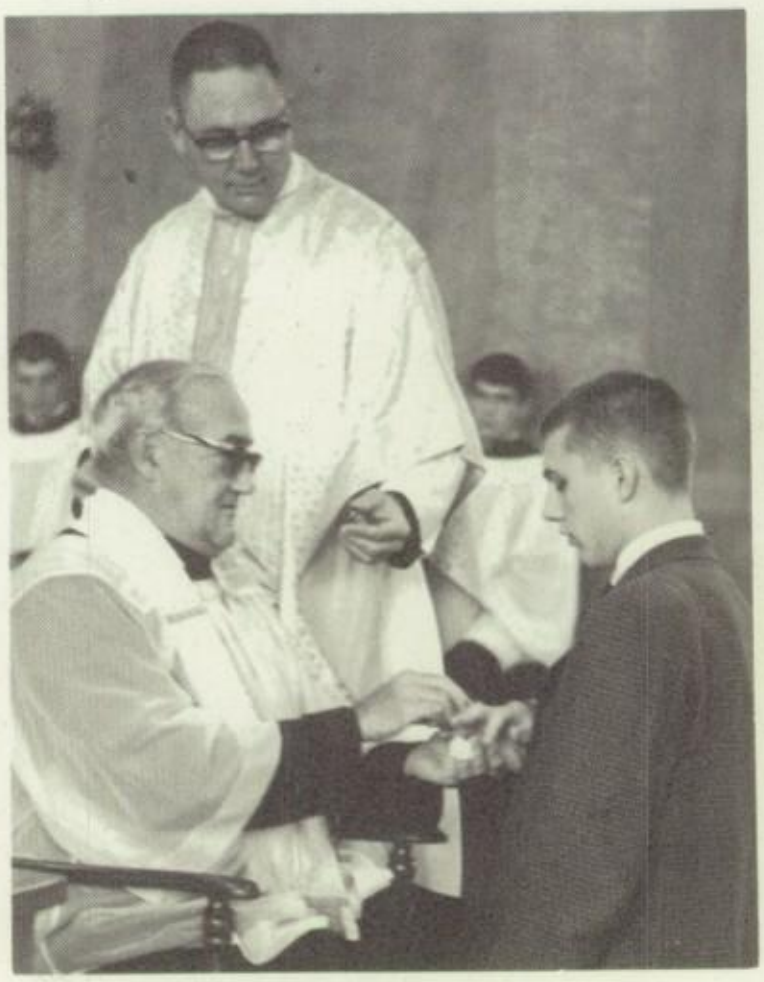
Presentation

As a St. Francis graduate looks back on his senior year, graduation strikes his mind as the major event — the finale to a long road of events — some small or routine, others important or unforgettable. Graduation officially brings the senior year to an end but where does it all begin?

For the Senior Class of 1966, the first formal step was taken on October the twentieth, at St. Pius X Church, the scene of the impressive Senior Ring Ceremony. Pride and dignified solemnity marked the ceremony as mothers and their young men assisted in the Holy Sacrifice of the Mass celebrated by Father Brennan, our senior moderator. An eloquent homily was delivered by Father Fisher on the historical background and significance of the coveted ring.

After Mass Father Shugrue blessed the rings and presented them to the seniors. Outside the church, proud mothers anxiously await a glance at the class rings as their 'Knights', looking down at their 'mark of distinction', realize that Act IV, Scene I of "Life at St. Francis' has come to an end.

Assisted by Father Brennan, Father Shugrue presents class ring to Steve Cherry.



Student Council President John Dooley, Senior Class President Dick Hojnacki, Mrs. Hojnacki and Senior Moderator Father Brennan admire new class rings.

Enjoying the luncheon after the presentation of rings are John Heinlein, Greg Gongwer and their mothers.

Loyalty and Courage Are Hallmarks of Seniors

School spirit soars to new high under the leadership of the senior class

Of the entire student body, only the seniors may use the front entrance of the school. Coming up the steps on a windy day are: Greg Schoen, treasurer; John Schlageter, vice-president; Ron Hanna, secretary and Dick Hojnacki, president.

Student body looks to the seniors for leadership in the Student Council. John Dooley, (standing) president, makes a wisecrack which apparently tickles Andy Huff, sophomore; Tom Troup, senior; Tom Galloway, junior; Father Gross, moderator and Dave Baily, senior.

These are our Men of the Year: Dave Bailey, Tim Davis, John Dooley, Dick Hojnacki, Lawrence King, Dick Meyer, Karl Pankratz, Carl Riedy, John Schlageter and Harold Welch.

The MEN OF THE YEAR are chosen in order to fittingly recognize the contributions they have made to the school both in academic endeavors and in extra-curricular activities. These young men exemplify the ideals of Salesian education — that of the whole man. They have excelled spiritually, intellectually and physically.

DAVE BAILEY has maintained an excellent academic average while taking part in sports, activities and student government. He was co-captain of the City Championship football team and was chosen as an All-Northwestern Ohio guard. He was vice president of the class in his freshmen and junior years. He was Social Commissioner of the Student Council this year. TIM DAVIS has worked hard as the manager of our outstanding wrestling team. He is this year's salutatorian, a fitting climax to four years of dedication to study. Tim competed on the Quiz Bowl team, helping in our victory over Libbey. JOHN DOOLEY is a fine example of an all-round St. Francis student. He has been treasurer, secretary and president of the Student Council in the past three years. His ingenuity and dedication to student government have made high school life more interesting and fruitful for everyone. He has been a member of the football team for four years, making second team All-City this year. President of the Senior Class, DICK HOJNACKI, has contributed a great deal to St. Francis during his four years. A fine athlete, Dick was co-captain of the basketball team and chosen to the second team All-City. A member

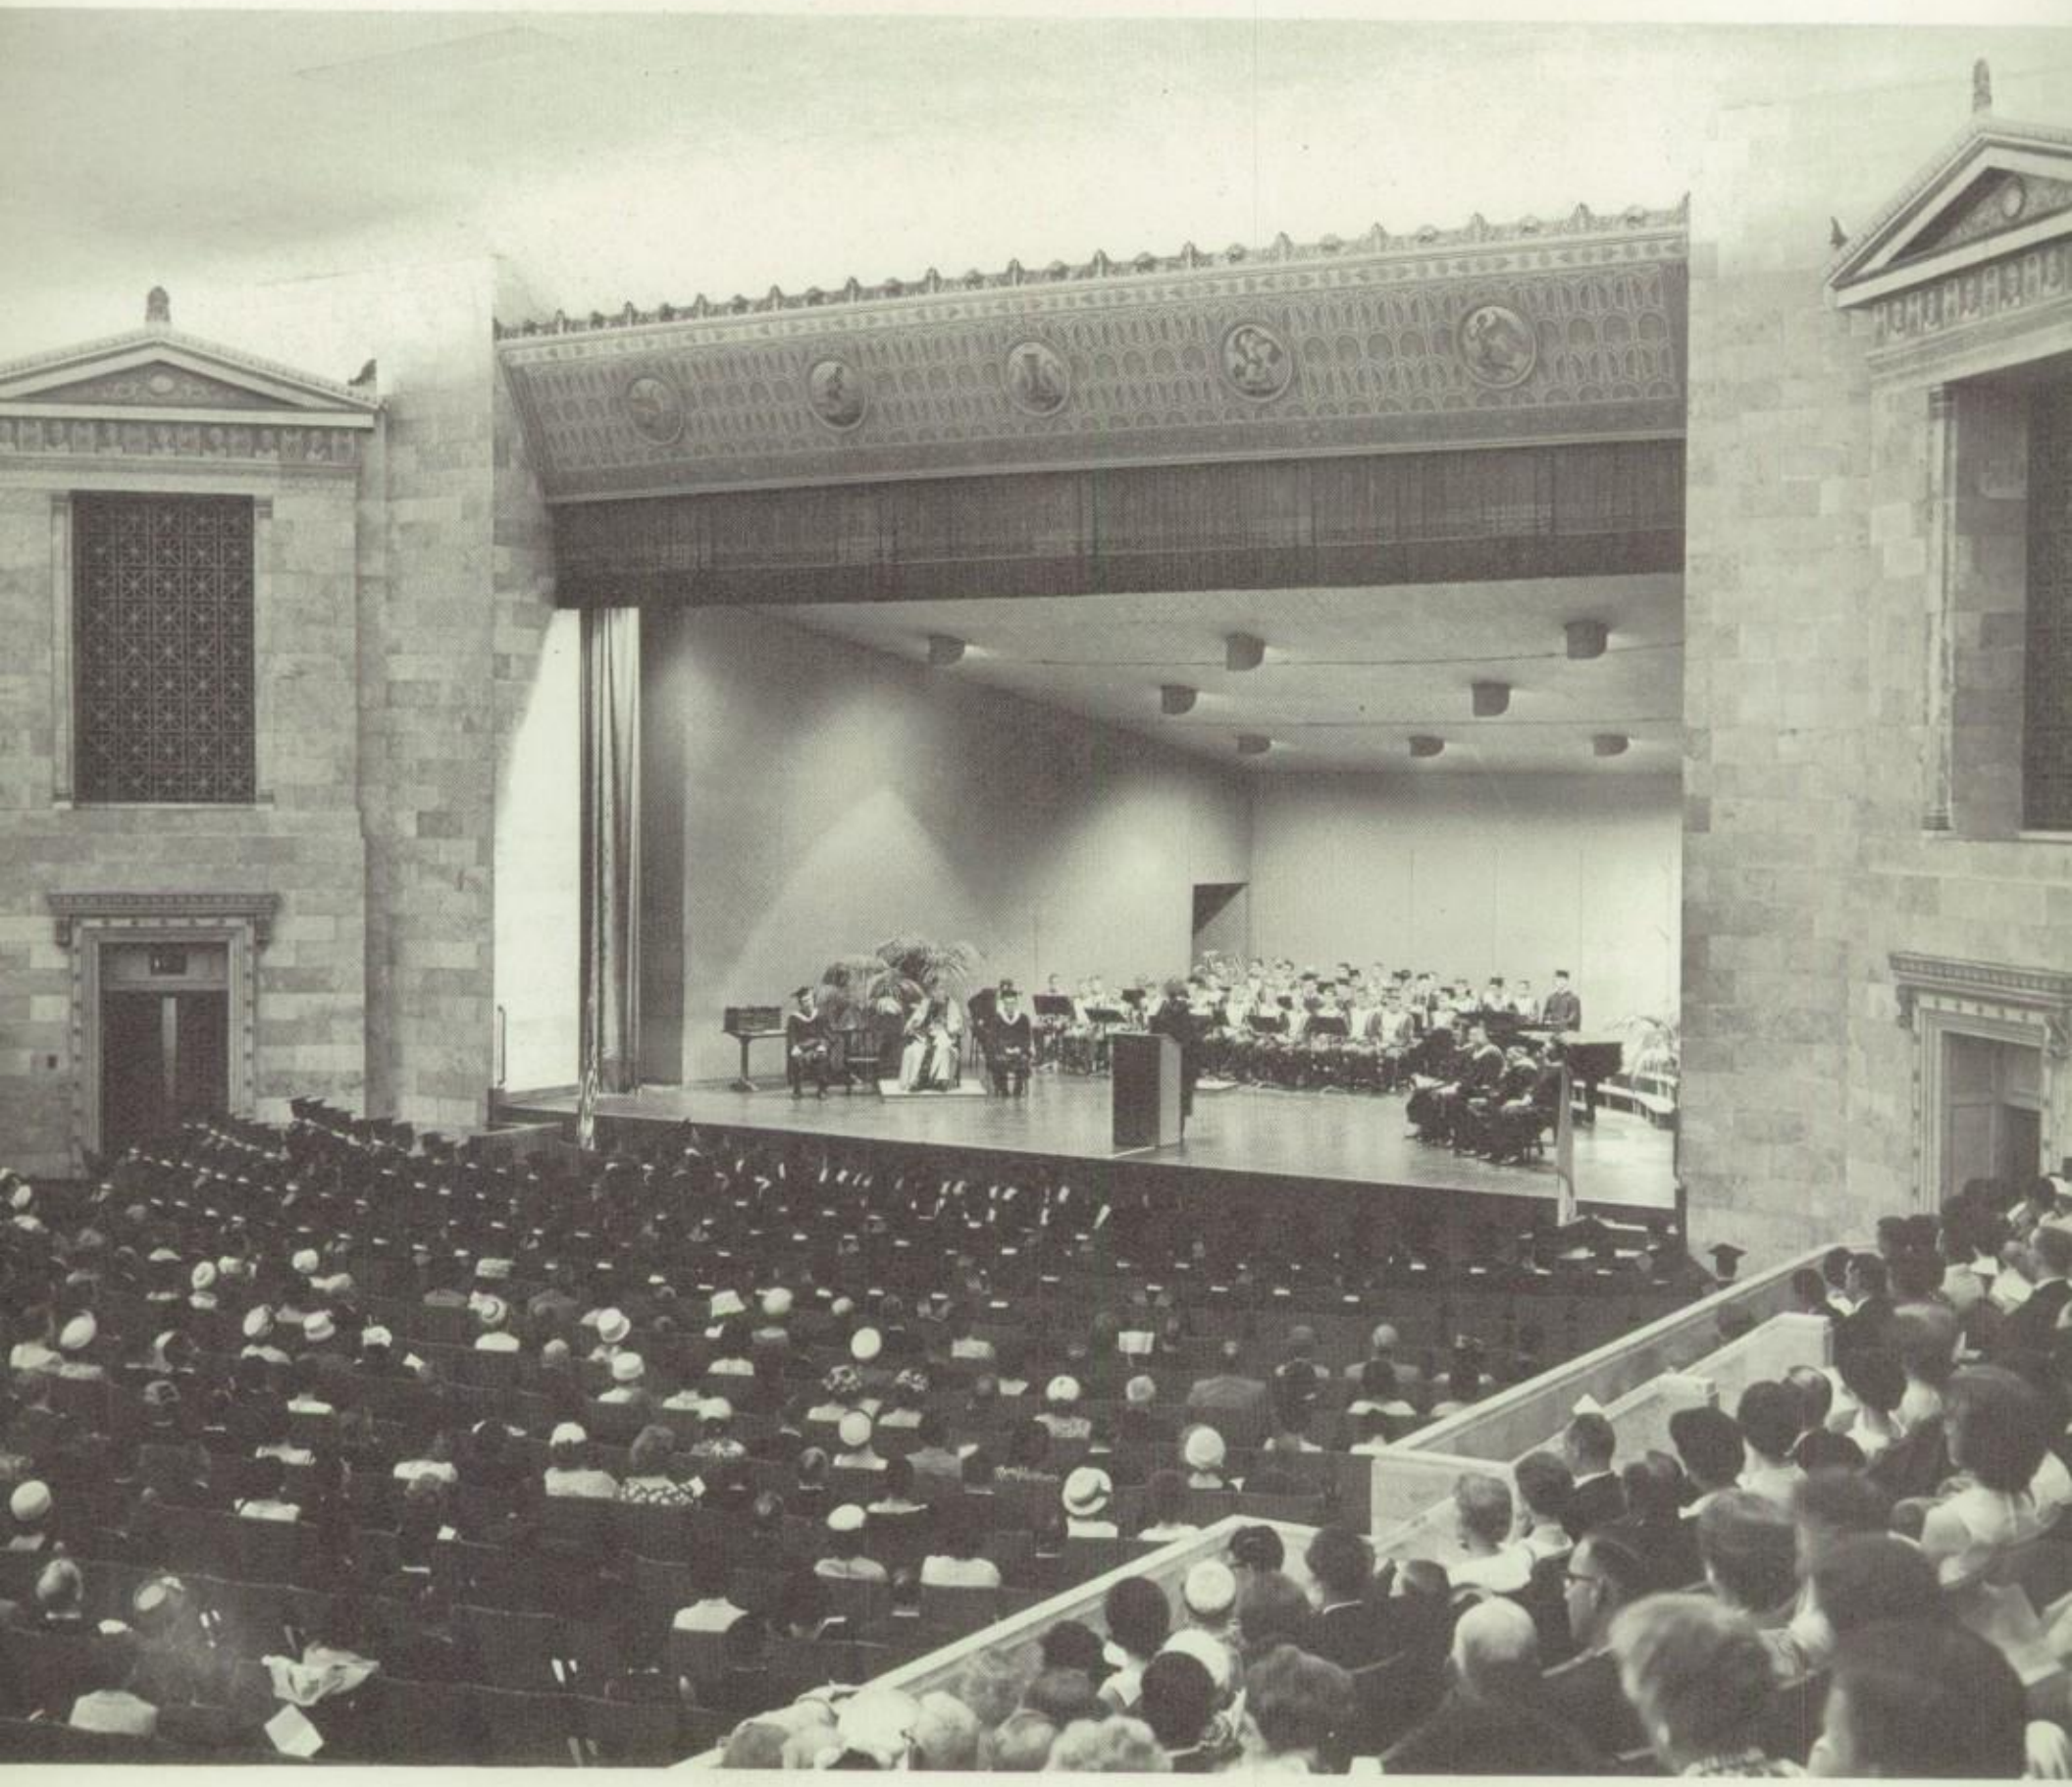
Outstanding Students Chosen Men of the Year

Industry, self-sacrifice and exceptional school spirit are fittingly rewarded

of the wrestling team, LAWRENCE KING has consistently received honors and was chosen as a National Merit Scholarship Finalist. DICK MEYER is one of the most accomplished wrestlers ever to come from this area. Co-captain of this year's team and former State wrestling champion, Dick hopes one day to wrestle in the Olympics. KARL PANKRATZ is one of the finest high school athletes in Ohio. He was chosen on the All-City football team both offensively and defensively while leading our team to a City Championship. Karl led the wrestling team to another perfect season, and a third consecutive city title while himself winning the State heavyweight championship. CARL RIEDY has been one of the most active of all St. Francis students. He has served as Publicity Chairman of Student Council, representative to the Area Student Council Sportsmanship Contest, St. Francis correspondent to the Toledo *Blade* Teen Column, and ran on the track and cross-country teams. He also ranks in the top five of his class. JOHN SCHLAGETER was a leader in all school activities. He was secretary of the Junior Class and vice president of the Senior Class. John was Homecoming, Dance and Rally Chairman. John made second team All-City in football, and was a big-brother to the freshman. HAROLD WELCH was an active member of the drama department, and consistently on the Honor Roll. He was a member of the Student Council during three of his years at St. Francis.

Courage Mightier Than the Sun - You Rose and

Seniors leave an old life and enter a new as courage marks a transition



Parents, relatives and friends assemble at the Peristyle for commencement exercises.

Fighting, You Won

from youth to manhood

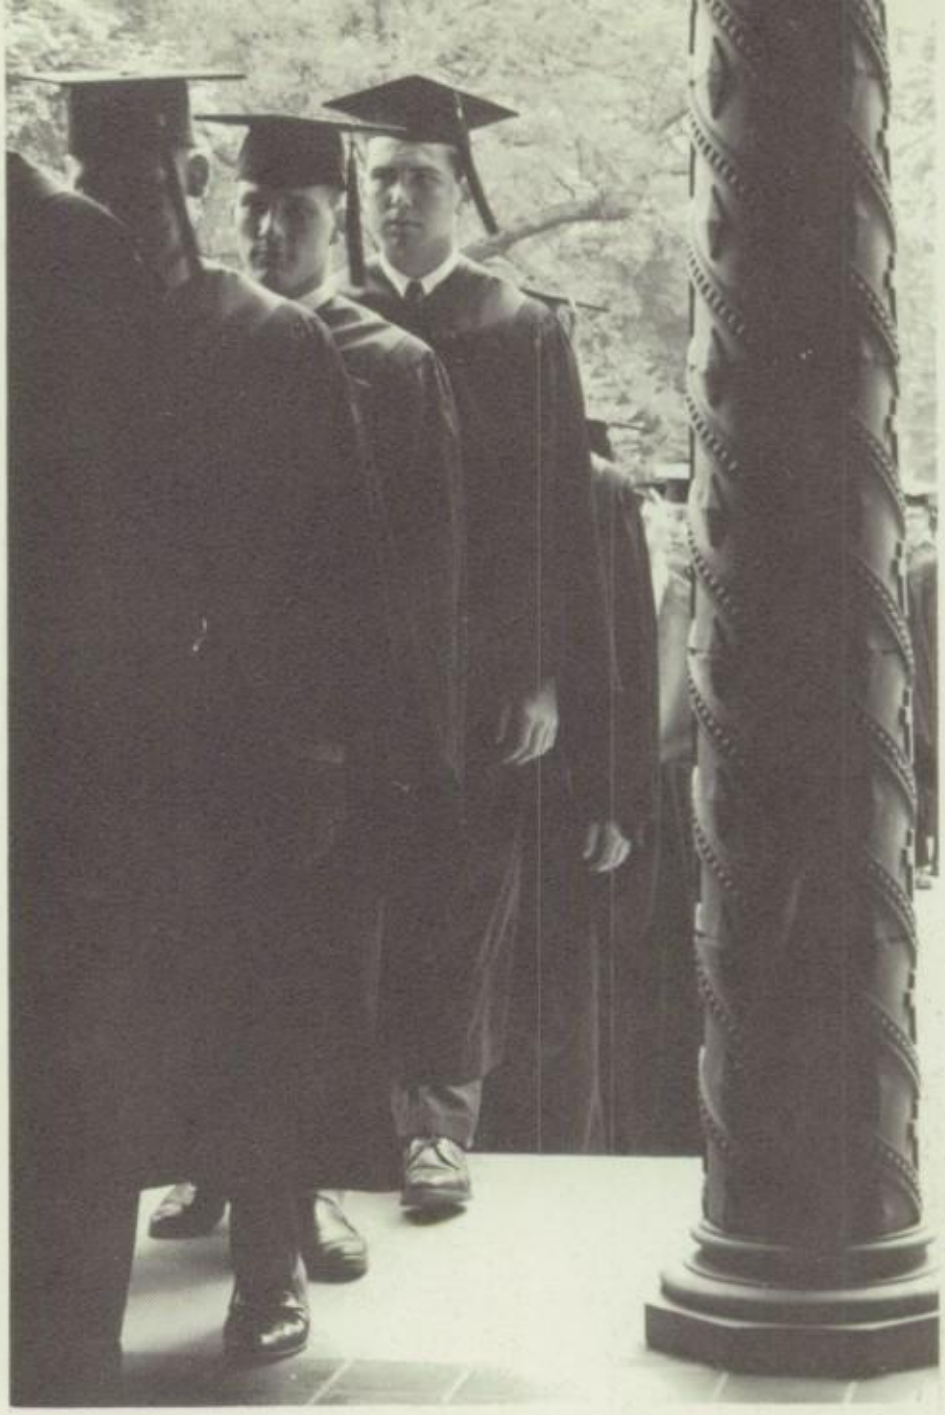
Little did we, the Class of 1966, realize when we entered St. Francis as freshmen, the amount of courage it would take to complete our high school education. This intangible 'courage' took many and varied forms.

The long hours of study that were necessary to meet the high scholastic standards of St. Francis showed a certain amount of courage. Nearly everybody knows of boys who started high school at St. Francis but did not have the courage to persevere in their studies and consequently did not have the opportunity to finish at St. Francis.

Physical courage is needed by the Knights that participate in varsity sports, winning city championships for St. Francis in nearly every sport, as well as by the 'Plowjockeys', 'Hucksters', 'Fishmongers' and 'Hellraisers' that fight fiercely for intramural championships in everything from football to ping pong.

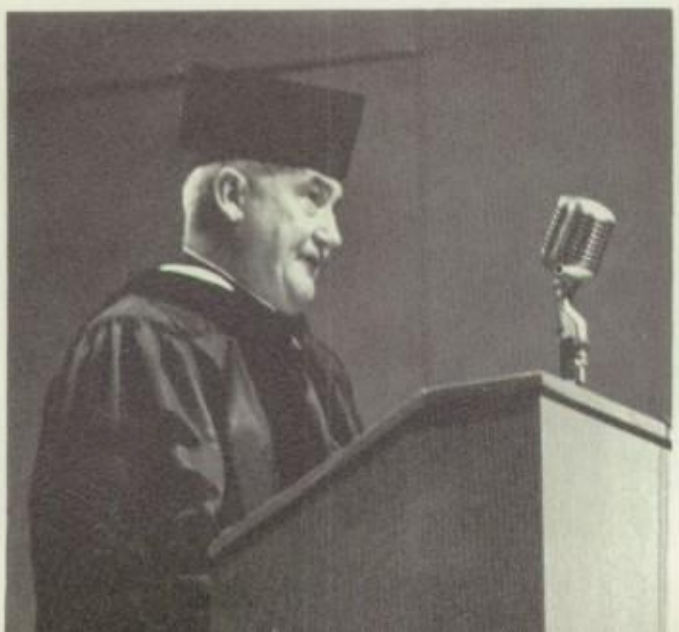
The ever present threat of 'jug' and of demerit slips seemed to give many students an adrenalin-type boost of courage. Spiritual courage is evident by the attendance at preschool Masses, afternoon Benedictions and the distribution of Holy Communion during Friday lunch periods.

It is our hope that the members of the class of 1966 will continue to possess this virtue of courage for their entire lives and it will lead them to their ultimate goal – God.



With mixed emotions, graduates solemnly proceed into Gesu Church for the Baccalaureate Mass.

Graduating seniors receive their diplomas from Bishop Rehring.



Father Shugrue counsels seniors for the last time.

Courage Is Generosity of the Highest Order

Pressures of publishing yearbook gives staff opportunity to avail selves of courage

This book is our legacy to St. Francis. We have chosen the virtue of courage for our theme because we felt that it is so important, especially so today. We have attempted to show how necessary it is in every phase of our lives — moral, intellectual and physical, and that we have been made most conscious of this in our school life. We know that in later years when we pick up this book it will recall to our minds events perhaps long forgotten, faces obscured by time, the joys, sorrows and the disappointments of our school lives which have faded into the twilight of history.

For you, too, who read this book, we hope that it will be a source of inspiration; that it will cause you to practice the virtue of courage not only in great crises, which, incidentally, so infrequently come into our lives, but also in the little things in our everyday lives which time and time again pop up from round about us. The gift of courage which St. Francis has attempted to strengthen in our lives we pass on to you. In the words of Plautus: "Courage is the best gift of all; courage stands before everything. It is what preserves our liberty, safety, life and our homes and parents, our country and children. Courage comprises all things; a man with courage has every blessing."

Accolade staff meets with Moderator Father Earley in the school library. Staff members are: Ralph Zychowicz, Carl Riedy, Gary Holtz, John Schlageter, Richard Moore and Chip Moynihan.
